## URGENT CARE NEEDED

SEEKING CAREGIVER TO RESIDE IN A COMMUNITY HOME  
AND SUPPORT A 13-YEAR-OLD INDIGENOUS YOUTH

\*Will also consider care provided within the applicant's home.

### Key Responsibilities

- Work alongside a network of caring professionals to support to a youth, ensuring his emotional, mental, physical and spiritual needs are met.
- Maintain a loving, supportive and structured household.

### Additional Considerations

- Youth would benefit from a higher level of supervision and would do best with no other children in the home.
- Strong cultural and community connection is considered an asset.
- Preference will be given to those with experience and skills to deal with complex special needs.

### Ready to become a specialized caregiver?

While we must undertake a rigorous and comprehensive approach to screening caregivers, we will be with you every step of the way. We are committed to reducing barriers wherever possible and walking alongside you in your journey to become a caregiver.
