

Do You Have Room in Your Heart & Home?

About Us

I'm five and love dance, staying active, and expressing myself. I'm kind, helpful, and enjoy making people laugh. I value routines and spending time with my siblings.

I'm six and enjoy school, hanging with friends, and eating lasagna! I love being outdoors, scootering, and exploring nature. I'm smart, kind, and always ready to help.

I'm seven, sweet, talkative, and love dance! I'm doing well in school, have made friends, and value routines. I enjoy spending time with my siblings and am learning to understand and express my feelings.

What We Need:

I need a caregiver who can support me with school, routines, and adjusting to changes. I also need help with new foods and potty training.

I need a patient caregiver who can keep me connected with my doctors, and understand ADHD, providing gentle redirection and structure when needed.

I need a caregiver who understands ADHD, can help me stay on track with routines, keep and encourage me to express my needs and build confidence.

You could be the one to give us the support we need to truly thrive!

Foster Care Provider Supports & Training

The Children's Aid Society of the District of Nipissing and Parry Sound offers a range of benefits, including non-taxable remuneration, on-call after-hours support, and ongoing training and development opportunities. You'll have access to a professional team of supports to assist both you and the child in your care, ensuring you feel confident and supported every step of the way.
